2. In response to the Senator's question, Mr. Duckett explained the costs of the project. To this the Senator said "the U. S. is running out of money" and wanted to be sure that [REDACTED] was not duplicating something the Defense Department is doing. He added that he considered our ABM project to be a great waste, commenting that we knew as well as he did that it was completely worthless. To this we did not reply. The Senator went on to say if the [REDACTED] project was necessary he would much prefer it be conducted by the Agency rather than by the Defense Department.
